## PARISH COUNCIL

### Grants Policy

#### 1. Introduction

Cheswardine Parish Council allocates some money each year that can be donated to worthy causes within the Parish.

Grants either fall under a specific statutory power or under the statutory power of Section 137 of the Local Government Act 1972, which permits it to spend up to a certain limit on anything which in the opinion of the council is in the interests of the parish, or any part of it, or is in the interest of all or some of its inhabitants.

This amount is limited to a figure per head of the electorate on the electoral roll on 1<sup>st</sup> January before the commencement of the financial year. The figure is index-linked and for 2023/24 is £9.93 per head.

The law requires that Section 137 payments must be “in the interest of or will directly benefit the area or its inhabitants, or of part of it, or of some of it” and “the direct benefit should be commensurate with expenditure”

The Parish Council aims to ensure that all grant awarding decisions are:-
