Additional updates included:

- Continued work by the new administration to keep matters transparent and information from Shropshire Council on the route going forward.
- Figures for the previous year have been closed with a £34M overspend. Different scenarios have been formulated in response to that.
- The MP has been contacted with regards to the A41 average speed cameras. The MP has replied to advise that the matter is in hand. The response has been shared with the Parish Council.
- Funding has now been pulled for the development of neighbourhood plans.

Cllr Stallard queried the overspend. Cllr Bentley added that the winter cannot be predicted and that could cause costs to escalate.

Cllr Stallard asked about the meeting of Shropshire Council with town and parish councils. Cllr Bentley advised that he will meet with the Chairs of his respective parish councils to discuss initial ideas.

Cllr Bentley shared his concerns that departments such as street scene are working under severe restrictions due to a minimal and limited workforce.

The Chair advised members that any questions for the Unitary Councillor, such as those asked at this meeting, can be directed to Cllr Bentley at any point and that members have his Shropshire Council contact details.

The Chair shared with members that we still need to source quotes for power washing the play equipment, and if members can ask any appropriate contractors.

Cllr Pound asked when the play equipment inspection will take place. The Clerk advised that they believe it is this month, but they will enquire if the date has been scheduled.

RESOLVED: the schedule of payments for June 2025 correctly states the invoices presented and that £1085.39 is approved to be paid. £831.35 has been paid under 6.6 and £1766.78 has been paid under 6.9 iii.

A payment of £364.80 has been paid as a charitable donation matching funds raised at the VE Day event. (as detailed on page 809).

15. Finance – Annual Payments List

RESOLVED: that the annual list of payments for 2025-26 is approved. (as detailed on page 810).

PARISH COUNCIL

Cllr Maskell queried the payment for web hosting. The Clerk clarified that our website is provided by a supplier specific to Council requirements and that other providers are available but generally charge more. The provider could be reviewed in the future.

16. Community Hub

Cllr Pound provided a background summary for the benefit of new members of the use and issues relating to the Community Hub, which is located at the bus shelter.

Cllr Pound clarified that at the May meeting, it was agreed that the shelter would be closed as an item exchange hub on safeguarding grounds. Following this decision, a social media campaign was instigated by residents.

Since the last meeting, a book exchange has been restored to the hub, although this was done without the authorisation of the Parish Council.

Cllr Stallard raised that the Council made a decision at the May meeting for the right reasons, but it was reopened without the Parish Council's authority or a further decision being made.

Cllr Pound suggested that the Council publish that it has reopened for books only and that we need further volunteers to be able to consider reinstating the exchange of other items.

Cllr Bentley reiterated that only once we have sufficient volunteers do we consider opening the hub up to other items, and not before.

The Chair raised that the bus shelter is an asset of the Parish Council, which means that we have responsibility for what takes place within it.

The Clerk informed members that a terms of reference document would be needed to define any volunteer activity and to ensure consistency, and that this could be produced.

Cllr Gandy enquired if the existing volunteers could handle maintaining the hub if it remains just books.

Cllr Bentley stated that the Parish Council needs to be clear with our decisions and to provide full information.

Cllr Lewis raised that the residents who commented on a Facebook post that they would be interested in volunteering may not be aware of how to proceed with this.

RESOLVED: that the Parish Council approve the re-opening of the shelter as a book exchange and information hub only.

Cllr Pound raised that it is important that we convey that the Parish Council is open to considering other uses for the hub and that we will need volunteers to come forward so that this could be considered at a future meeting.

The Chair confirmed that they will publish a statement which will share an update with the community on the decisions made by the Council.

17. Correspondence

Members reviewed correspondence received regarding the community hub, which was entered into the meeting.

RESOLVED: that the clerk will respond, thanking the individual for contacting the Council, informing that the Council has further considered the community hub at the June meeting and made a decision regarding its reopening as a book exchange. The response will also include that the unitary councillor has adhered to all legal obligations while fulfilling his role within our Parish, and any allegations concerning his integrity are inappropriate.

CHESWARDINE PARISH COUNCIL

Cllr Neil Bentley Unitary Councillor Report | Cheswardine Division

JUNE 2025

OVERVIEW

The first full council meeting was held on the 22nd May at Guildhall where the new administration officially took control of the Shropshire Council. All cabinet positions and scrutiny committee members were adopted by the full council. I have taken the position of Deputy Cabinet Member for Children & Education with a specific focus on Education across the county. As previously mentioned, the committee panels are politically balanced to reflect the makeup of the full council. Information on the committees and council can be found via www.shropshire.gov.uk/committee-services

A reminder that all full council meetings and committee meetings are streamed live for the public and are available via the Shropshire Council YouTube channel.

Hopefully you will have received an email (forwarded via SALC) from council leader Cllr Heather Kidd giving a brief overview of our plans for the new administration and our priorities moving forward.

Deputy council leader Cllr Alex Wagner is working on the initial stages of our planned Shropshire Partnership as outlined in our election manifesto. I will share more on this over the next few months but it is an exciting opportunity for all town & parish councils to have more authority across each division of Shropshire.

As expected, the council finances are a priority for the administration. The current period 11 (year to March 2025) position is a predicted overspend of £33.889m which is actually a slight decrease from that predicted at P10. However, this is a significant amount of money that will have to be drawn down from the current budget which will put more additional strain on the council finances for the current year.

SURGERIES & PUBLIC MEETINGS

I will soon be starting to hold informal surgeries across the division, this will be an opportunity for members of the public to raise questions, ask for advice as well as a great way to 'meet your councillor'. I will share dates/times/locations with you in advance and would appreciate if this information was shared via your social networks and notice boards.

CASEWORK

As well as conducting a variety of case work across the division, I have listed below a few active pieces and actions taken so far.
